Stuart and Randy

Fellow 700 MHz RPC for Region 3, Arizona

Attached, please find the changes to Region 7's Plan. To clarify, The Plan itself does not change since we put the Allotments and Interoperability frequencies in "Appendices".

Appendix "I" has the Interop Channels and it has been cleaned up to show that it is based on the National Public Safety Telecommunications Council's (NPSTC) recommendations and naming conventions. Also inserted are the Air-to-Ground Channels.

Appendix "L" has the channel allotments which has been updated with the new information about the released "Reserve Channels" and the Deployable Trunked Systems.

Please review these Appendices and if you concur, please send an email to confirm your Regional Committee does concur.

Address your response to myself and our Chair Ed Boyer edward.boyer@state.co.us.

Thank you
